BOOK SYNOPSIS

The gods have been proven mortal and new heroes will arise as the battle continues in the sequel to Age of Myth--from the author of the Riyria Revelations and Riyria Chronicles series. In Age of Myth, fantasy master Michael J. Sullivan launched readers on an epic journey of magic and adventure, heroism and betrayal, love and loss. Now the thrilling saga continues as the human uprising is threatened by powerful enemies from without--and bitter rivalries from within. Raithe, the God Killer, may have started the rebellion by killing a Fhrey, but long-standing enmities dividing the Rhune make it all but impossible to unite against the common foe. And even if the clans can join forces, how will they defeat an enemy whose magical prowess render them indistinguishable from gods? The answer lies across the sea in a faraway land populated by a reclusive and dour race who feel nothing but disdain for both Fhrey and mankind. With time running out, Persephone leads the gifted young seer Suri, the Fhrey sorceress Arion, and a small band of misfits in a desperate search for aid--a quest that will take them into the darkest depths of Elan where waits an ancient adversary as fearsome as it is deadly. Dont miss any of Michael J. Sullivans Legends of the First Empire novels: AGE OF MYTH | AGE OF SWORDS (Coming soon!) Praise for Michael J. Sullivan "If you enjoy epic fantasy, and are perhaps hungering for something with timeless appeal, then I highly recommend picking up Age of Myth."--The BiblioSanctum, on Age of Myth "Hair-raising escapes, flashy sword fights, and faithful friendship complete the formula for good old-fashioned escapist fun."--Publishers Weekly, on Theft of Swords "Filled with adventure and clever dialog and featuring a pair of not-quite-heroes whose loyalties to each other provide them with their greatest strength, this epic fantasy showcases the arrival of a master storyteller."--Library Journal, on Theft of Swords "With less gore and a smaller cast of characters than George R. R. Martins Song of Ice and Fire but equally satisfying, Sullivans epic fantasy will be gaining fans at exponential rates."--Library Journal, on The Rose and the Thorn
