BOOK SYNOPSIS

Praise for Nomad: Alan Partridge's Nomad is almost certainly the funniest book ever written. Caitlin Moran: Sensationally funny. What brilliant writing! Richard Osman: Sensational. Jenny Colgan: Hilarious. Jon Ronson: Brilliantly funny. Marcus Brigstocke: In Alan Partridge: Nomad, Alan dons his boots, windcheater and scarf and embarks on an odyssey through a place he once knew - it's called Britain - intent on completing a journey of immense personal significance. Diarising his ramble in the form of a journey journal, Alan details the people and places he encounters, ruminates on matters large and small and, on a final leg fraught with danger, becomes - not a man (because he was one to start off with) - but a better, more inspiring example of a man. This deeply personal book is divided into chapters and has a colour photograph on the front cover. It is deeply personal. Through witty vignettes, heavy essays and nod-inducing pieces of wisdom, Alan shines a light on the nooks of the nation and the crannies of himself, making this a biography that biographs the biographer while also biographing bits of Britain.
